BACKGROUND

Governor Newsom's FY 21/22 budget, approved in SB129, \$15 million in general fund dollars to ETP to align and operate programs with the community college system, in partnership with the California Community Colleges Strong Workforce program. These allocations shall be known as "California Community College Funds" (CCCF) within ETP's programs. This funding is available for encumbrance or expenditure until June 30, 2024.

Funding appropriated from the general fund to ETP for the purpose of workforce training, which is funding from a source other than the Employment Training Fund, is defined as an "Alternative Funding Source" subject to Unemployment Insurance Code section 10214.6 that mandates guidelines such as these for the purpose of supporting and implementing an Alternative Funding Source program.
