Social Entrepreneurs for Economic Development (SEED) Grant 2022-2024

DEMONSTRATION PROJECT PROGRESS REPORT QUESTIONS

(Note: Questions are to be answered in Cal-E-Grants system only)

1. Provide information on how your grant funds were expended in the most recent completed quarter.

2. Provide a brief narrative of your grant activities to date, including a description of your progress in launching or sustaining each work cooperative, training, micro-grant selection, and micro-grant disbursement activities.

3. For each worker cooperative, please provide the following Enterprise Development performance metrics/information if you have any to report to date:
- Number of new or existing cooperatives created/sustained
- Revenue of business created per cooperative
- Amount in member capital account per cooperative

4. For each worker cooperative, please provide the following Worker Wage/Hour performance metrics/information if you have any to report to date:
- Number of part-time jobs created
- Number of full-time jobs created
- Average hours/week per worker
- Pre-cooperative average hourly wage
- Post-cooperative average hourly wage
- Percentage increase in annual income

5. For each worker cooperative, please provide the following Job Quality performance metrics/information if you have any to report to date:
- Percentage of worker retention per year
- Injury rate
- Access to benefits
- Skills development/internal advancement
- Entrepreneurial capacity/access to models

- Workers participation in governance
- Industry-specific metrics

6. For each worker cooperative, please provide the following Movement Building performance metrics/information if you have any to report to date:
Changes leveraged beyond the cooperative

7. What have been the biggest barriers/obstacles in implementing this project?

8. Has your project been featured in any press releases or media posts this quarter? If yes, please provide a description and links if available.

9. Provide any additional information you would like to share regarding the progress of this project.
