Social Entrepreneurs for Economic Development (SEED) Grant 2022-2024

ENTREPRENEURSHIP PROGRAM PROGRESS REPORT QUESTIONS

(Note: Questions are to be answered in Cal-E-Grants system only)

1. Provide information on how your grant funds were expended in the most recent completed quarter.

2. Provide a brief narrative of your grant activities to date, including a description of applicable outreach, training, micro-grant selection, and micro-grant disbursement activities.

3. What have been the biggest barriers/obstacles in implementing this project?

4. Has your project been featured in any press releases or media posts this quarter? If yes, please provide a description and links if available.

5. Provide the following Enterprise Development performance metrics/information if you have any to report to date:
   - Number of new businesses created
   - Number of businesses currently open and running because of the SEED grant

6. Provide the following Worker Wage/Hour performance metrics/information if you have any to report to date:
   - Number of part-time jobs created
   - Number of full-time jobs created
   - Percentage increase in annual income

7. Provide any additional information you would like to share regarding the progress of this project.
