

CONFLICT OF INTEREST CODE FOR THE
EMPLOYMENT TRAINING PANEL

The Political Reform Act (Government Code sections 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict of interest codes. The Fair Political Practices Commission has adopted a regulation (2 California Code of Regulations section 18730) that contains the terms of a standard conflict of interest code, which can be incorporated by reference in an agency's code. After public notice and hearing, the regulation may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation, and the attached Appendices A and B designating positions and setting forth disclosure categories, shall constitute the Conflict of Interest Code For the **Employment Training Panel (Panel)**.

Individuals holding designated positions shall file their statements with the **Panel**, which will make the statements available for public inspection and reproduction. (Gov. Code section 81008.) Panel Members and Executive Director must file the statements of economic interest electronically with the **Fair Political Practices Commission**. Statements for all other designated positions will be retained by the **Panel**.
